

Author contract on the granting of rights

- 1. With respect to the publication of the paper (incl. the abstract thereof) proposed by the undersigned and accepted by “Arbeitsgemeinschaft Internationaler Kalibreure und Walzwerksingenieure e.V.” (hereinafter referred to as “AIKW e.V.”) in the journal “Der Kalibreur”, the undersigned hereby assigns irrevocably to AIKW e.V. all worldwide rights to copy and distribute as well as to transmit and reproduce the paper as immaterial public or individual information within the framework of the journal, in all and any print or digital versions (e.g. disc, CD-ROM) as well as for online use in and online retrieval from storage media, especially databases (including electronic storage, the provision of public access to the paper for individual retrieval, on-screen display and print-out at the user’s location, also via the Internet). This shall include pertinent illustrations, diagrams, charts, drawings and tables.
- 2. Further, the undersigned hereby assigns irrevocably to AIKW e.V. all worldwide rights to use the paper for reprints, abstracts (also in foreign language versions and as preprints), special editions of the journal, publication on the website of AIKW e.V., conference proceedings, special editions in book or other forms, photomechanical reproductions including facsimile, microcopy, microfiche and as well on CDs.
- 3. Further, the undersigned assigns to AIKW e.V. the right to translate the paper or have the paper translated into other languages.
- 4. AIKW e.V. shall be authorized to conclude licensing agreements with third parties to exercise its rights under items 1 and 2. As far as individual rights thereof can be exercised by a copyright collection society, the undersigned hereby authorizes AIKW e.V. to conclude the relevant agreements with the respective copyright collection society.
- 5. The rights under items 1 to 3 shall be assigned as exclusive rights for the duration of 2 years from acceptance of the paper by AIKW e.V., after expiration of this period as non-exclusive rights. After expiration of the two-year period, the undersigned may grant non-exclusive copyrights in the paper to third parties provided that the undersigned takes all reasonable contractual measures to ensure that the journal “Der Kalibreur” is duly acknowledged as original publication.
- 6. The undersigned hereby affirms that he or she is authorized to exercise the copyrights in his or her paper pursuant to items 1 to 3, including the pertinent illustrations, diagrams, charts, drawings and tables. The paper does not violate any third party rights. Further, the undersigned affirms that he or she will comply with the authors’ guidelines issued by AIKW e.V.
- 7. German law shall apply.
